I understand that intolerance may develop and higher dose may be required to achieve adequate pain relief I understand that narcotics are likely to induce physical dependence and that abrupt withdrawal is likely to cause withdrawal symptoms. I understand that physical dependence and tolerance are different from addiction, which refer to psychological dependence on medication for purposes other than pain relief.

By signing I agree that Arthritis & Rheumatology Center of South Florida will be the sole provider of narcotic medication and I will not exceed prescribed dose. I understand that using my medicine at a rate greater than prescribed will result in my being without medication for a period of time. Lost prescriptions or medications including those stolen or inaccessible will not be replaced.

I agree to refrain from the use of illegal drugs and excessive alcohol. Noncompliance with the agreement may be grounds for discharge from the medical practice. Monthly visits will be required for medications that are not refillable.
